Next Meeting

Tuesday, February 9

7:00 pm

Virtual Meeting on Zoom (Join after 6:45)

Topic

Part 2 of "Bring your most pesky problem or question and your friends will help you solve it".

Have your items handy for Show and Tell!

Minutes of the last Meeting

The remote meeting was called to order by Vice-President Jay Stanley at 6:30. Minutes were not recorded until 7 pm.

Treasurer's Report

Jim said we have \$2101.02 in the bank.

Old Business

There was a good discussion about our club liability insurance coverage. Since we have not been having usual meetings and demos, we do not need the insurance to satisfy the school district or protect against liability. There was concern expressed about whether we would readily be able to reactivate the policy when we need it again, and discussions with the underwriter suggest that this would likely not be a problem. The consensus of those attending was that we should allow the insurance to lapse, until such time as we are meeting in person again.

There was no further business for discussion.

Show and Tell

Jay decided to combine the Show and Tell with the topic of discussion, which was "Share a pesky problem you've been having."

There were many good projects shown and a good variety of interesting and helpful problems raised, discussed, and potential solutions presented. The creativity of the members was on full display, as each problem generated several realistic, and often quite different, ways of addressing.
