Lerner's Cabin

Next Regular Meeting.

Tuesday,
September 13

7 pm

Bozeman High
Wood Shop

Topic

Election of Officers

Michael Hosaluk
Workshop planning

Minutes of the last Meeting

Meeting called to order by President Jay Stanley. Guests included Jarrad McDaniel and Jim Rendle.

Treasurer's Report

Ivan reported we have \$2227.42 in the bank.

Old Business

We have 3 people signed up for the Michael Hosaluk Hands On portion of the Fall Workshop. More spots are available and can be reserved with a \$75 deposit.

Beads of Courage Bowls are on display and those donated will be sent after the meeting.

Our annual picnic will be Saturday, June 11 from 11 am to 2 pm at Jane and Ron Lerner's cabin, near the Bear Canyon exit on I90. Jay asked people with last names from A-L to bring side dishes and those with last names from M-Z bring desserts.

Officer Elections will be held at the September meeting. George Stanislao is heading up the nominating committee.

New Business

Student member David Kletter won the state cabinet making competition and will be on to the national competition in Louisville. He also won the Extemporaneous Speaking competition there. Student member Max Steiner was doing a great job, but in his hurry he miss-cut a piece which cost him a shot at the top prize.

Members voted to increase our dues to \$25 starting in September. Dues have been \$20 since the club founding and we can use more funding to match our aspirations.

The **Raffle** was held, with a couple prizes given away and a terrific **Show and Tell** took place. Jess brought a 'collaboration' bowl. He turned it and then one of his artist friends painted designs on it, making a fantastic and original piece. Great work, people!

We had 2 **demos** for the evening. Bob Taylor showed how to rapidly and accurately make cuts at the angles needed for segmented work by using a simple jig. Jay Stanley showed how he quickly makes very useful mallets from scrap wood pieces. Both demos were well received and much appreciated. Thanks to both of you.

Announcements

Rocky Mountain Woodturning Symposium, Loveland, CO, September 16-18.
rmwoodturningsymposium.com.
