

Northern Rockies Woodworking Guild

October 30, 2017

NRWG.org

Volume 13, Issue 2

Officers

President

Jurgen Weiel

Vice President

Jarred McDaniel

Treasurer

Boyd Carson

Secretary

Dean Center

Next Meeting

Tuesday,

7 pm

Bozeman High
Wood Shop

Topic

Bleaching Wood
by Tom Robinson
(applies to all types of
woodworking)

Minutes of the last Meeting

The meeting was chaired by brand new Vice-President Jarred McDaniel, as Jurgen was out of town. Jarred did a terrific job. Kathy Clark was a new guest this evening and John and Laurie Weisner were returning guests.

Treasurer's Report

Boyd reported 17 people paid their dues at the last meeting and we have \$1566.80 in the bank. For those who have not yet paid, dues are due and \$25.

Announcements

If anyone is a member and does not have a name tag, or has worn out their name tag, please contact Dean.

Old Business

We will be hosting a demo day for the high school students on Friday, November 3. We have a group of volunteers, but if anyone else has a desire to help out, contact Jarred or Dean.

New Business

We would like everyone's feedback on their skill and interest levels in various aspects of woodworking and also to know what you might like to have for meeting topics. Comment forms were passed out and attendees given a chance to fill them out and return them.

The Raffle was well subscribed and gave out prizes to several lucky folks. Show and Tell was awesome, as usual, with some very nice pieces provided by our guests.

For our demonstration, Tony showed how to make nearly identical duplicates of projects, using table legs for a small stool as examples.

Next meeting will be Tuesday, November 14.

Announcements

Bill Beckman has decided not to implement a vacuum chucking system and has a brand new **Gast vacuum pump** for sale. \$509 when purchased, he's asking \$400. Contact Bill at 507-271-3572. (Gast is the premier pump for vacuum chucking-dmc)

The American Association of Woodturners Annual International Symposium, Portland, Oregon, June 14-17, 2018. The 2019 and 2020 Symposia will be in the Eastern US, so this is a good opportunity to attend relatively 'close'. We had a strong endorsement of the AAW Symposium from Laurie Weisner who has actually attended. Highly recommended. Woodturner.org.

More Show and Tell, from John and Laurie Weisner

Tony shows us how to make duplicates of project items, focusing on legs for a stool
