## Summer Break Almost Over

I hope that everyone is having a safe and productive summer. It is time to get the group back together. The next meeting will be September 13th at the Bozeman High School.

## September 2005 Meeting

The Guild Web Site  
can be found at  
[WWW.NRWG.ORG](http://WWW.NRWG.ORG)

If you are interested in joining the group, please contact one of the officers or come to a meeting. Guests with all levels of woodworking skills and interests are always welcome.

## Door prizes

During the Jimmy Clewes turning demonstration, Jimmy turned several different items and he left them behind. His instructions were to allow Jim Palakovich and Tom Robinson to each take a piece in appreciation of their hospitality. Jim provided Jimmy housing during his stay and Tom graciously allowed the hands on classes in his shop. Jim P. decided upon the long stemmed goblet for his choice and Tom decided on the lidded Oriental style box.

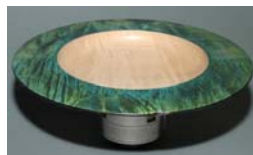

Jimmy suggested that we could use the remaining items for fund raising events or any other ideas we can come up with. At the June meeting it was decided to raffle off the items to people that attended the demonstration. It was decided that the cost would be \$1 per ticket, 6 for \$5 and a dozen for \$10. The money raised would go into the Guild treasury. Later the decision was made to raffle off one piece during each of the upcoming meetings. This would draw out the fun and hopefully raise some more money.

The following items will be raffled at the upcoming meetings.

End grain vase

Colored platter

Walnut box

Natural edge  
bowl

For the September meeting we will be raffling the walnut lidded box. You can purchase your raffle tickets at the meeting. If you cannot attend the meeting you can send your money to Ken Emerson ahead of time. You do not need to be present to win.

September meeting

- Web Site news

The web site is full! Currently we are paying \$8.95 a month for 25MB of space. That's 25 Mega Bytes or 25,000,000 bytes for you normal folks. Each of the gallery pictures take between 75KB and 200KB (Kilo Bytes) (75,000 to 200,000 bytes). The newsletter takes between 145KB and 439KB. So in the course of one year we have filled up the 25MB of space. We do have a couple of options, we can purchase more space and bump to 75MB for \$13.90 per month or start taking old things off the web site. The AAW recently held a contest for woodturning groups' web sites and I was invited to help judge some sites. The ones that I enjoyed the most were the ones with the most pictures and in particular when the pictures told the story. Now I don't want the newsletter or web page to replace your attendance at the meetings as I think that getting everyone together is very important. I also think it is important to be able to look back through the galleries to see a member's progress. The web site is there for your benefit so please speak up as to where you think it should progress to and what you would like to see as a tool for your use.

## Next meeting

The next meeting will be at Bozeman High School Wood shop September 13th at 7:00. Program to be determined.

To get to the Woods Shop, get on 15th Ave either from Durston going south or from Main Street going north. The entrance to the high school is Ruth Thibault Drive which is just north of the Hastings Shopping Center entrance off of 15th Ave. Follow Ruth Thibault in between the track and the playing field past the main parking lot around to the back side of the building. Look for the big dust collector on the side of the building and the entrance is to the right of the collector.

Be sure to bring your show and tell items. Guests are always welcome.

Meeting date and time = Tuesday September 13th, 2005 @ 7:00 P.M.
